

Contributing Member Information and Application

The Society invites individuals and corporations to support us in our efforts by becoming Contributing Members. For those with a love of the animal kingdom and the art that celebrates it, Society patronage is an ideal way in which to contribute to the development of this important contemporary fine art form. The Society is a 501(c)3 charitable non-profit organization. All donations are tax deductible.

Contributing Members are entitled to the following benefits:

- All Society Newsletters and Annual Exhibition catalog
Invitation to attend annual exhibition opening seminars, presentations and Artists' Reception for member and one guest
Acknowledgment in the Annual Exhibition catalog
Opportunity to sponsor individual art awards

Contributing Membership is available in four categories:

- Patron Member \$150-\$299 - All of the benefits described above.
Sponsoring Member \$300-\$999 - All of the benefits of a Patron Member plus admission for member and one guest to the Annual Member's Award Banquet at no charge.
Sustaining Member \$1,000-\$4,999 - All of the benefits of a Sponsoring Member plus admission for two to all Member activities with a cost during the Annual Exhibition at no charge.
Partner Member \$5,000+ - All of the benefits of a Sustaining Member plus an expanded acknowledgement in the Annual Exhibition catalog and at the Annual Exhibition banquet.

Membership must be renewed on a yearly basis to retain privileges outlined above.

Send the information slip below with your contribution to:
Society of Animal Artists, Inc., 5451 Sedona Hills Drive, Berthoud, CO 80513
